ANZIIF Announces AGM and Graduation Ceremony to Recognise Student Achievements

ANZIIF will host its Annual General Meeting (AGM) on Thursday 21 May 2026 at Rydges North Sydney, followed by a Graduation Ceremony celebrating student achievement across the profession.

Bringing together members from across Australia, New Zealand and Asia, the event reflects ANZIIF's role in supporting a connected and professional insurance community.

The AGM provides ANZIIF members with the opportunity to engage with the organisation's governance and strategic direction, including consideration of reports and financial statements, and updates on board composition.

Following the formal proceedings of the AGM, the Graduation Ceremony will recognise the accomplishments of members who have completed qualifications and advanced their professional capability over the past year.

The combined event highlights ANZIIF's ongoing commitment to raising professional standards while fostering connection and capability across the industry.

ANZIIF CEO Katrina Shanks says the event brings together reflection, recognition and connection.

"This is an important moment for our members to come together, reflect on the year that was, and recognise the achievements across the profession," she says.

"Our members are at the heart of everything we do. Their commitment to learning, professionalism and supporting one another is what continues to strengthen the industry.

The event is open to ANZIIF members and invited guests, with the AGM component exclusive to members only.
