ANZIIF

Diploma of Loss Adjusting

Information for students currently completing the Diploma of Loss Adjusting

This document is applicable for students who commenced studies between 2016 to November 2021.

Every five years, a major review of the competency framework for the Financial Services Training Package is undertaken by an independent Industry and Skills Committee. This is part of a continuous improvement process to keep up to date with the industry's needs and changing circumstances. ANZIIF, like many other education providers, actively participated in identifying skills and knowledge needs in the workforce.

The 2020 Financial Services came into effect on 2 February 2022 for the FNS51420 Diploma of Loss Adjusting. Continuing and new students need to complete **seven (7) compulsory units and two (2) elective units**. This table outlines the units and if applicable, the credit pathways from previous ANZIIF studies.
