What makes RISC unique?

- **Exclusive learning opportunity:** Participants will get access to, and guidance from, senior practitioners who are among the industry's top reinsurance experts. All have deep technical expertise honed from decades of international and regional industry experience.
- **Uniquely structured:** Four days of intensive experiential learning that combines hands-on syndicate group work, expert presentations, knowledge sharing and team-building activities.
- **Active learning:** Participants are grouped into syndicates and immersed in a real-life case study to design and test the optimal reinsurance program. Using physical and digital tools they will be mentored by a syndicate adviser in a small group to collaborate on the creation of the reinsurance program.
- **Course inclusions:** Accommodation, meals and activities are provided throughout the four days, as well as complimentary return transport from Sydney CBD.
