# CEO Message

I am pleased to present the 2021 South East Asia Member Directory. Thank you for your support of the Australian and New Zealand Institute of Insurance and Finance (ANZIIF) through ANZIIF membership.

ANZIIF was established over 137 years ago and is the leading membership body and provider of education, training and professional development services to the insurance industry in Australia, New Zealand and the Asia-Pacific region.

As an ANZIIF member, you will join more than 17,000 members in 50 countries who believe in the importance of professionalism through continued learning and development.

ANZIIF CIP members receive industry wide recognition as a qualified professional throughout the insurance and financial services industry.

Your commitment to excellence, lifelong learning and professional standards is recognised internationally. This year, 952 CIP members in the South East Asia region are listed in the Member Directory.

Congratulations to our new ANZIIF CIP members! You are now part of a professional network, and being part of the ANZIIF CIP member directory helps you connect and collaborate with like-minded insurance professionals.

This strong and expansive network of ANZIIF members offers insight into trends, information about job openings, and movements within other companies not only in your country, but across the whole region.

ANZIIF continues to grow its presence in South East Asia, and we continue to collaborate with our partners to learn more about industry challenges and opportunities. We introduced a new program of interactive webinars and seminars, which provides a safe and flexible way for our members to engage with industry experts from the comfort of their own home.

We also revamped our website. The new website has a strong focus on customer experience, with improved accessibility and functionality, giving you an easy-to-use platform.

On behalf of ANZIIF and the industry, I thank you for your commitment to promoting the highest standards of professionalism through ANZIIF membership.

ANZIIF is grateful for the opportunity to help build knowledge and professionalism in the South East Asia region.

# ANZIIF Membership

ANZIIF membership represents the highest standards of practice and integrity for insurance professionals within the Asia Pacific region.

There are six levels of ANZIIF membership, which are based on the member's experience and/or qualifications.

## Certified Insurance Professional (CIP)

Affiliate, Associate, Senior Associate and Fellows are Certified Insurance Professionals (CIP). The ANZIIF CIP designation demonstrates a professional's commitment to a career in insurance.

25 CIP Points

**To maintain CIP status, CIP members are required to:**

- have an ANZIIF qualification or equivalent
- maintain 25 CIP points per year by participating in 25 hours of professional development per year
- adhere to the ANZIIF Code of Ethics.

## CIP Member Digital Badge

ANZIIF has partnered with Credly to provide CIP members with a [digital badge](#) – a new way to validate skills and achievements digitally. IP Members can now share this achievement with employers, clients, peers and the industry digitally.

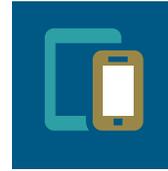

# Membership Benefits

ANZIIF membership benefits are focused on supporting your lifelong learning and continuous professional development.

## Use of the ANZIIF Post-nominal

Stand out from the crowd with your [ANZIIF post-nominal](#), receiving ANZIIF digital badge and display and share your achievement digitally. Available to all 2022 CIP members.

## E-Newsletters

ANZIIF members receive fortnightly ANZIIF newsletters which contain professional development activities and articles focused on technical information, soft skills, profiles and general career advice.

## Professional Development Content

Designed to maintain and develop skills and knowledge, members have access to more than 2,000 premium articles, interactive professional development activities, full archive of ANZIIF webinar recordings and interview videos, and whitepapers through ANZIIF's ever-growing [Professional Development section](#) on the website.

## Online CIP Points Register

As a member, you have access to an online [CIP points register](#), where all CIP points can be recorded and tracked, regardless of whether they are completed with ANZIIF or not.

## The *Journal*

The longest-running and most widely-read insurance publication in the Asia-Pacific region, the *Journal* keeps members up-to-date on industry issues, trends, people and events. To support our members in the virtual landscape arising from the COVID-19 pandemic, ANZIIF has gone digital with Issues of [the Journal](#). Members receive a link for each Issue of the e-magazine published four times a year.

## ANZIIF Webinars Recordings

ANZIIF has a program of interactive webinars that gives you the flexibility to engage with industry experts from the comfort of your own learning environment. ANZIIF members get access to all ANZIIF Webinar recordings.

# 2021 Member Survey

Every year, ANZIIF conducts a member's survey to gain feedback on a range of activities undertaken by ANZIIF to better understand the satisfaction and preferences of members, improve the services offered and provide ongoing value for members. We received nearly nine hundred survey results in 2021, and below are the key findings of the survey results from members in South East Asia.

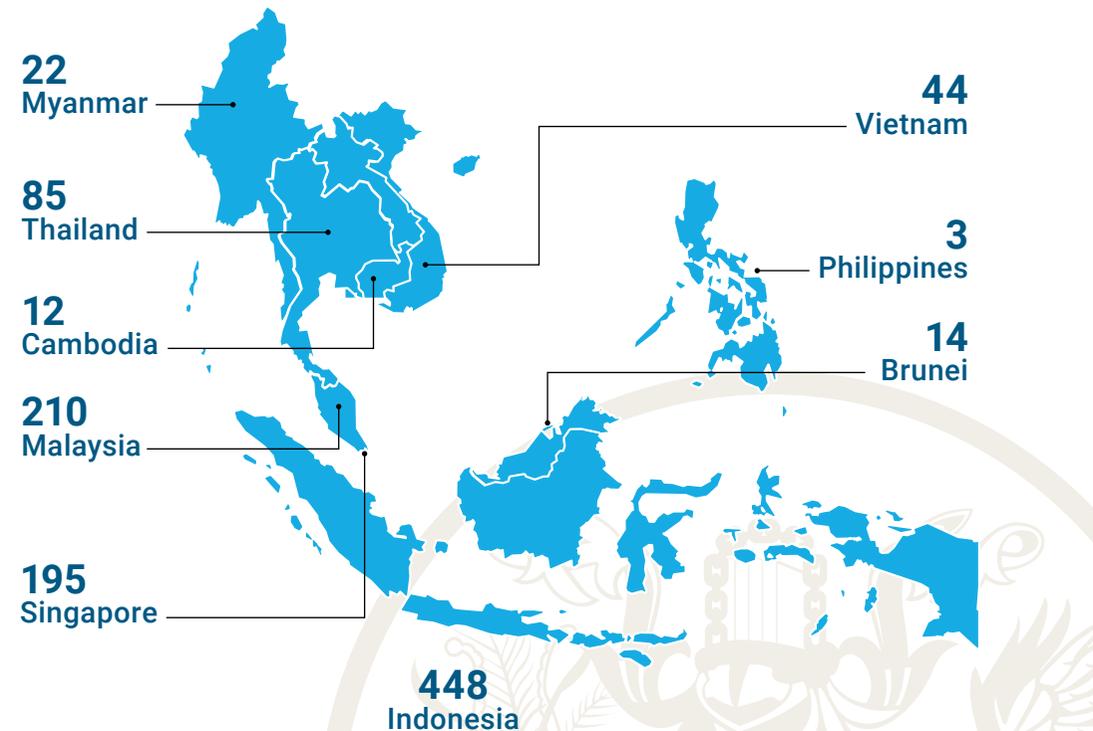

## Member satisfaction

- 94% of members in the region value the ANZIIF Post-nomials and credentials highly.
- More than 85% of members in the region believe ANZIIF's member service is Good or Excellent in multiple areas, including the Professional Development section, the *Journal*, webinars, and member support/customer service.

## The main benefits of belonging to ANZIIF are:

- "Increase my knowledge and skill and opportunity to know other insurance members."
- "International recognized professional standard and this post nominal is recognized by most government authority and this will give a member a chance to be Responsible Officer and getting exemption for government insurance examination."

## ANZIIF Students and Members in South East Asia

# ANZIIF Education – Lifelong Learning

Learning and professional development are vital to growing careers and to achieving ongoing success. Formal qualifications enhance professional credibility and ANZIIF’s education model focuses on the specific skills needed by insurance professionals to keep their skill set and knowledge up to date. ANZIIF offers a variety of professional development options to suit all levels of experience.

## Skills Units

Skills Units are online, interactive short-courses based on real-world scenarios that focus on specific competencies and learning outcomes relevant to the individual’s professional development needs. Skills Units can be completed in either five or seven weeks.

Visit [anziif.com/professional-development/skills-units](https://anziif.com/professional-development/skills-units) for further information.

## Short Courses

Short Courses are interactive online learning solutions that provide knowledge around specific topics, compliance and regulatory updates, or major industry changes for the insurance industry. They are crafted by the same team who develop AQF formal qualifications, which guarantees a high standard of learning.

Visit [anziif.com/professional-development/short-courses](https://anziif.com/professional-development/short-courses) for further information.

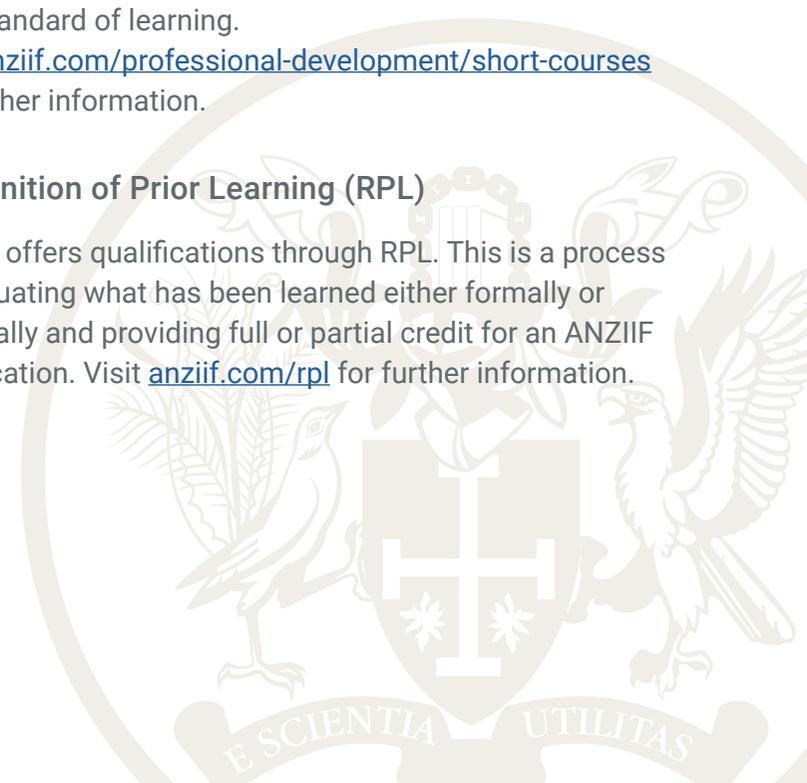

## Certificates & Qualifications

Skills Units can be combined in various ways to achieve ANZIIF Certificates – insurance-based qualifications representing industry standards of excellence. All ANZIIF Qualifications are formally recognised, internationally portable and available for all skill and experience levels.

## Recognition of Prior Learning (RPL)

ANZIIF offers qualifications through RPL. This is a process of evaluating what has been learned either formally or informally and providing full or partial credit for an ANZIIF qualification. Visit [anziif.com/rpl](https://anziif.com/rpl) for further information.

# Through the Eye of Finance – Yolanda Widjaja

According to Mrs Yolanda Widjaja, leaders can make a real difference in other people's lives, and this is the reason she has always aspired to be one.

As Chief Sales Officer for PT Sampo Insurance Indonesia, Widjaja strongly holds that being a great leader means you can contribute to industry growth – and that will bring Indonesia to the international playing field.

She is highly committed to Sampo's Insurance vision of realising a society that enjoys health and prosperity.

To that end, she is pursuing scale and diversification to further the growth and profitability of the property and casualty insurance company's products and services.

*'I am also looking to build a stable business portfolio by diversifying our risk portfolio and creating more added value for our customers,'* she explains.

Born in Jakarta, Yolanda Widjaja majored in accounting at Atma Jaya University and started her career as an auditor.

In 2008, she joined PT Chubb Life Insurance's newly established Indonesian business as Head of Finance.

*'Building my own team, systems and procedures from the ground up at Chubb Life Insurance is one of the achievements I'm most proud of in my career,'* she shares.

Widjaja's journey with Sampo Insurance began in September 2016. She was appointed Chief Sales Officer in January 2020.

*'Sales and finance have always been my passion and expertise,'* she enthuses.

Yolanda says she adapts her leadership style for different situations and people, depending on the circumstances and necessity.

*'In general, I think it's important to recognise the strengths and weaknesses of my team and help them utilise their strengths to optimise their potential.'*

She also believes that insurance companies have a duty and a calling to utilise their data and risk management expertise to analyse and predict the likelihood of disasters to minimise the associated risks.

*'This way, more innovation can be implemented to promote more suitable products and services that prioritise the wellbeing of customers.'*

*'In the long run, I believe we can combine our risk management expertise and experience with data analytics to address social challenges.'*

As a woman in insurance, Widjaja says top executives in Indonesia are still predominantly men, but this doesn't mean women do not have the required capability.

She says that when women in leadership positions can support other women and get a chance to grow, their numbers will increase.

*'The many challenges I've faced over the years helped me grow and become the person I am today.'*
