# ANZIIF Membership

ANZIIF membership represents the highest standards of practice and integrity for insurance professionals within the Asia Pacific region.

There are six levels of ANZIIF membership, which are based on the member's experience and/or qualifications.

## Certified Insurance Professional (CIP)

Affiliate, Associate, Senior Associate and Fellows are Certified Insurance Professionals (CIP). The ANZIIF CIP designation demonstrates a professional's commitment to a career in insurance.

25 CIP Points

To maintain CIP status, CIP members are required to:

- have an ANZIIF qualification or equivalent
- maintain 25 CIP points per year by participating in 25 hours of professional development per year
- adhere to the ANZIIF Code of Ethics.

## CIP Member Digital Badge

ANZIIF has partnered with Credly to provide CIP members with a [digital badge](#) – a new way to validate skills and achievements digitally. IP Members can now share this achievement with employers, clients, peers and the industry digitally.

# Membership Benefits

ANZIIF membership benefits are focused on supporting your lifelong learning and continuous professional development.

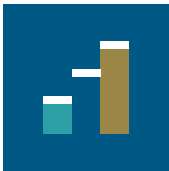

## Use of the ANZIIF Post-nominal

Stand out from the crowd with your [ANZIIF post-nominal](#), receiving ANZIIF digital badge and display and share your achievement digitally. Available to all 2024 CIP members.

## Online CIP Points Register

As a member, you have access to an online [CIP points register](#), where all CIP points can be recorded and tracked, regardless of whether they are completed with ANZIIF or not.

## Professional Development Content

Designed to maintain and develop skills and knowledge, members have access to more than 2,000 premium articles, interactive professional development activities, full archive of ANZIIF webinar recordings and interview videos, and whitepapers through ANZIIF's ever-growing [Professional Development section](#) on the website.

## E-Newsletters

ANZIIF members receive weekly newsletters with professional development activities and articles focused on technical information, soft skills, profiles and general career advice.

## The *Journal*

Members receive a copy of the printed *Journal* once a year. The longest-running and most widely-read insurance publication in the Asia-Pacific region, the *Journal* keeps members up-to-date on industry issues, trends, people and events. ANZIIF has gone digital with Issues of [the \*Journal\*](#). Members receive a link for each Issue of the e-magazine published four times a year.

# Through the Eye of Finance – Yolanda Widjaja

According to Mrs Yolanda Widjaja, leaders can make a real difference in other people's lives, and this is the reason she has always aspired to be one.

As Chief Sales Officer for PT Sampo Insurance Indonesia, Widjaja strongly holds that being a great leader means you can contribute to industry growth – and that will bring Indonesia to the international playing field.

She is highly committed to Sampo's Insurance vision of realising a society that enjoys health and prosperity.

To that end, she is pursuing scale and diversification to further the growth and profitability of the property and casualty insurance company's products and services.

*'I am also looking to build a stable business portfolio by diversifying our risk portfolio and creating more added value for our customers,'* she explains.

Born in Jakarta, Yolanda Widjaja majored in accounting at Atma Jaya University and started

her career as an auditor.

In 2008, she joined PT Chubb Life Insurance's newly established Indonesian business as Head of Finance.

*'Building my own team, systems and procedures from the ground up at Chubb Life Insurance is one of the achievements I'm most proud of in my career,'* she shares.

Widjaja's journey with Sampo Insurance began in September 2016. She was appointed Chief Sales Officer in January 2020.

*'Sales and finance have always been my passion and expertise,'* she enthuses.

Yolanda says she adapts her leadership style for different situations and people, depending on the circumstances and necessity.

*'In general, I think it's important to recognise the strengths and weaknesses of my team and help them utilise their strengths to optimise their potential.'*

She also believes that insurance companies have a duty and a calling to utilise their data and risk management expertise to analyse and predict the likelihood of disasters to minimise the associated

risks.

*'This way, more innovation can be implemented to promote more suitable products and services that prioritise the wellbeing of customers.'*

*'In the long run, I believe we can combine our risk management expertise and experience with data analytics to address social challenges.'*

As a woman in insurance, Widjaja says top executives in Indonesia are still predominantly men, but this doesn't mean women do not have the required capability.

She says that when women in leadership positions can support other women and get a chance to grow, their numbers will increase.

*'The many challenges I've faced over the years helped me grow and become the person I am today.'*
