# CEO Message

I am pleased to present the 2025 Greater China Member Directory. Thank you for your support of the Australian and New Zealand Institute of Insurance and Finance (ANZIIF) through ANZIIF membership.

ANZIIF was established over 140 years ago and is the leading membership body and provider of education, training and professional development services to the insurance industry in Australia, New Zealand and the Asia-Pacific region.

As an ANZIIF member, you will join more than 17,000 members in 50 countries who believe in the importance of professionalism through continued learning and development.

As an ANZIIF CIP member you receive industry wide recognition as a qualified professional throughout the insurance and financial services industry.

Your commitment to excellence, lifelong learning and professional standards is recognised internationally. This year, 838 CIP members in the Greater China region are listed in the Member Directory.

Congratulations to our new ANZIIF CIP members! You are now part of a professional network, and being part of the ANZIIF CIP member directory helps you connect and collaborate with like-minded insurance professionals.

Industry collaboration is key to building the professional standards of all industries, and the ability to share knowledge, advice and access to customers is epitomised in our member directory.

# ANZIIF Membership

ANZIIF membership represents the highest standards of practice and integrity for insurance professionals within the Asia Pacific region.

There are six levels of ANZIIF membership, which are based on the member's experience and/or qualifications.

## Certified Insurance Professional (CIP)

Affiliate, Associate, Senior Associate and Fellows are Certified Insurance Professionals (CIP). The ANZIIF CIP designation demonstrates a professional's commitment to a career in insurance.

25 CIP Points

To maintain CIP status, CIP members are required to:

- have an ANZIIF qualification or equivalent
- maintain 25 CIP points per year by participating in 25 hours of professional development per year
- adhere to the ANZIIF Code of Ethics.

## CIP Member Digital Badge

ANZIIF has partnered with Credly to provide CIP members with a [digital badge](#) – a new way to validate skills and achievements digitally. IP Members can now share this achievement with employers, clients, peers and the industry digitally.

# Membership Benefits

ANZIIF membership benefits are focused on supporting your lifelong learning and continuous professional development.

## Use of the ANZIIF Post-nominal

Stand out from the crowd with your [ANZIIF post-nominal](#), receiving ANZIIF digital badge and display and share your achievement digitally. Available to all 2025 CIP members.

## Professional Development Content

Designed to maintain and develop skills and knowledge, members have access to more than 2,000 premium articles, interactive professional development activities, full archive of ANZIIF webinar recordings and interview videos, and whitepapers through ANZIIF's ever-growing [Professional Development section](#) on the website.

## The *Journal*

Members receive a copy of the printed *Journal* once a year. The longest-running and most widely-read insurance publication in the Asia-Pacific region, the *Journal* keeps members up-to-date on industry issues, trends, people and events. ANZIIF has gone digital with Issues of [the \*Journal\*](#). Members receive a link for each Issue of the e-magazine published four times a year.

## Online CIP Points Register

As a member, you have access to an online [CIP points register](#), where all CIP points can be recorded and tracked, regardless of whether they are completed with ANZIIF or not.

## E-Newsletters

ANZIIF members receive weekly newsletters with professional development activities and articles focused on technical information, soft skills, profiles and general career advice.

## ANZIIF Webinars Recordings

ANZIIF has a program of interactive webinars that gives you the flexibility to engage with industry experts from the comfort of your own learning environment. ANZIIF members get access to all ANZIIF Webinar recordings. Visit [anziif.com/videos](https://anziif.com/videos)

## Thursday Thought Leaders

ANZIIF's [Thursday Thought Leaders](#) series brings weekly insights from industry experts on key insurance topics. Members can access live webinars every Thursday, with on-demand recordings available the next day for added flexibility. ANZIIF has also introduced biweekly Tuesday Deep Dive webinars to provide technical insights on specific topics from industry specialists.

# ANZIIF Education – Lifelong Learning

Learning and professional development are vital to growing careers and to achieving ongoing success. Formal qualifications enhance professional credibility and ANZIIF’s education model focuses on the specific skills needed by insurance professionals to keep their skill set and knowledge up to date. ANZIIF offers a variety of professional development options to suit all levels of experience.

Watch the [Studying with ANZIIF](#) video for more information.

## Skills Units

Skills Units are online, interactive short-courses based on real-world scenarios that focus on specific competencies and learning outcomes relevant to the individual’s professional development needs. Skills Units can be completed in either five or seven weeks.

Visit [anziif.com/skills-units](https://anziif.com/skills-units) for further information.

## Short Courses

Short Courses are interactive online learning solutions that provide knowledge around specific topics, compliance and regulatory updates, or major industry changes for the insurance industry. They are crafted by the same team who develop AQF formal qualifications, which guarantees a high standard of learning.

Visit [anziif.com/short-courses](https://anziif.com/short-courses) for further information.

## Certificates & Qualifications

Skills Units can be combined in various ways to achieve ANZIIF Certificates – insurance-based qualifications representing industry standards of excellence. All ANZIIF Qualifications are formally recognised, internationally portable and available for all skill and experience levels.

Visit [anziif.com/qualifications](https://anziif.com/qualifications) for further information.

## Recognition of Prior Learning (RPL)

ANZIIF offers qualifications through RPL. This is a process of evaluating what has been learned either formally or informally and providing full or partial credit for an ANZIIF qualification.

Visit [anziif.com/rpl](https://anziif.com/rpl) for further information.
