

Lloyd's Innovators Scholarship

About the Scholarship

The Lloyd's Australia Innovators Scholarship helps take brokers, general insurance professionals and loss adjusters from Tier 1 or AICLA Certificate to Diploma. The Scholarship recognises future leaders and innovators and builds awareness of Lloyd's and its role in the past, present and future of insurance and reinsurance – both locally and globally.

Prize

Each scholarship includes enrolment in the ANZIIF course "Lloyd's Demystified" and is valued at up to \$5,000.

Winners also will have the opportunity to have a 'day-in-the-life-of' experience in Lloyd's Australia Sydney office (travel at own expense).
