INSURTECH

Insurtech is dominating the conversation, but what's the fuss?

If you want to know more, come to ANZIIF's second Insurtech Conference to learn how the digital revolution is reshaping the industry and how disruption provides the chance to inspire.

Partnering with Insurtech Australia and FinTechNZ, this regional conference brings together tech and insurance to find unique and innovative ways to work together.

Day 1 of the conference will feature an Insurtech 101 workshop, for insurance professionals who want to know more about insurtech, the impact on them and also on the industry.

Day 2 is a full-day conference that will feature **Insurtech Alley** and **Tech Tank**.
