

2019

ANZIIF PROFESSIONAL DEVELOPMENT PROGRAMS

ANZIIF. GROWING CAREERS.

NAME	DATE	LOCATION	OVERVIEW
Insurtech Conference	Tuesday 26 February - Wednesday 27 February,	Sydney	This regional conference brings together technology and insurance to explore the myriad of opportunities and issues relevant to all players in relation to insurtech. Discover what this means in the context of the Asia-Pacific region. The conference is preceded by two workshops for the insurance industry and insurtechs to gain a better understanding of what insurtech means for them.
Strive, Lead & Inspire NZ	Friday 1 March	Auckland	This luncheon brings together leading insurance professionals from all sectors of the industry to promote the exchange of knowledge and expertise.
QLD Business Breakfast	Friday 15 March	Brisbane	Featuring an expert panel, the Business Breakfast is a must-attend event for local based industry professionals who are keen to hear about the critical and current perspectives that are shaping QLD and the broader industry.
New Zealand Business Breakfast	March	Auckland	Featuring an expert panel discussing the future of the general insurance industry, the Business Breakfast is a must-attend event for industry professionals looking to gain insights on the year ahead.
Rising Stars in Insurance Seminar	Tuesday 2 April	Sydney	Aimed at young insurance professionals, Rising Stars in Insurance will equip attendees with the knowledge and skills to help take their careers to the next level.
	Tuesday 9 April	Melbourne	
South Australian Charity Luncheon	Friday 17 May	Adelaide	Considered the premier charity luncheon on the South Australian insurance calendar, this lunch provides opportunities for professionals to connect with colleagues, peers and industry leaders while giving back to the community.
Group Life Seminar	May	Sydney	The Group Life Seminar offers the latest trends, insights and opportunities from across the group life industry.
	May	Melbourne	
Liability Conference	May	Auckland	This technical conference focuses on current issues in liability insurance delivered using keynote speakers, case studies and panels.
Reinsurance International Study Course	August	New South Wales	This course is widely considered the best reinsurance training course in the southern hemisphere. Held over four days, participants explore underwriting, placement, rating concepts, portfolio modelling, claims and regulatory requirements in exclusive syndicates of intensive and practical case-based study.
