ENVEST

**Do you have an insurtech that is seeking to bring strategic impact to the insurance industry? We want to hear about it! We are looking for insurtechs to submit their pitch deck to participate in the Envest TechTank, at the upcoming Insurtech Conference workshop on Tuesday 26 February 2019.**

To enter, submit a pitch deck with your proposition - tell us your story, introduce the people behind it, explain the business model and how you will shake up the industry and inspire change. We will select up to five entries to present to the audience, who will help to pick the winner, based on the insurtech who stands to have the most strategic impact.

### **THE PRIZE**

The winner will get a guaranteed place as a participating insurtech in the 2019 Insurtech Delegation, which includes a ticket to either the Insurtech Connect conference in Las Vegas, or the Digital insurance Agenda Conference in Munich, including flights, accommodation and a full 5 day program around the conference.

**Closing date for entries is Friday 8 February, 2019.**

# TECHTANK Entry Form

If you have any queries, contact Rachel Magill, Team Leader Events 03 9613 7273 or [rmagill@anziif.com](mailto:rmagill@anziif.com)

## Checklist

- I have signed and dated this entry form
- I have completed all sections on this entry form

## Details

I confirm I am the \_\_\_\_\_ or equivalent of the organisation whose company is submitting an entry into TechTank.

I approve the entry of this submission according to the terms and conditions.

## Terms and conditions

- All TechTank entry forms must be mailed to [hello@insurtechaustralia.org](mailto:hello@insurtechaustralia.org) and be accompanied by the pitch deck that you propose to present in the TechTank session
- Insurtech Australia and InsurTech NZ will review all applications
- Up to five start-ups/insurtechs will be chosen and then have the opportunity to showcase their company to the TechTank audience to compete for the prize
- The audience will listen to the showcase and help determine who will win
- The final winner will be determined by the audience voting via the event App
- Pitch decks should not include an ask (e.g. capital raise), more so a presentation on the problem, solution, product and service, and other information about your technology, business and customers you're willing to share
- The 2019 Insurtech Delegation will be organised by Insurtech Australia. The location, either Las Vegas or Munich, is still to be decided.
