### PARTNERS

## ABOUT ANZIIF INSURTECH CONFERENCE

The Insurtech Conference is designed to connect insurers, start-ups and incubators from across Asia-Pacific to collaboratively inspire the insurance industry, drive new thinking and transform the customer experience. Attracting insurtechs, incubators and mid-senior level insurance professionals, the Insurtech Conference offers something for everyone, no matter the level or sector. Eligible ANZIIF members who attend will earn five Certified Insurance Professional (CIP) points for the workshop and earn six Certified Insurance Professional (CIP) points for the conference.

### WHO SHOULD ATTEND

#### **WORKSHOP 201: Building on the Basics**

**Learn about the impact insurtech has on you and the insurance industry**

Workshop 201 is for insurance professionals who want to know more about insurtech, the impact on them and also on the industry.

#### **WORKSHOP 1.0: Insurtech Around the Globe**

**Learn how to scale your insurtech**

Workshop 1.0 is aimed at insurtechs wanting to understand how other insurtechs are building in global markets and how to interact with the insurance industry.

### CONFERENCE

The Insurtech Conference is essential for all:

- Insurers
- Insurance brokers and agents
- Claims professionals
- Actuaries
- Adjusters
- Insurance lawyers
- Reinsurers
- Underwriters
- Government

### LEARNING OUTCOMES

At the end of the conference, attendees should be able to:

- Explain what insurtechs around the world are doing, the impact this has to the insurance industry on a global scale and how the Australian and New Zealand insurtech markets compare
- Identify who is investing in insurtech and what technology platforms they are investing in
- Understand how strategic investors/incumbents invest in insurtech and recognize who to approach for partnership opportunities.
- Identify the opportunities available to insurtechs in the Australian and New Zealand markets
- Discuss some of the learnings from corporate investment into insurtech and from working with incumbents
