## CEO MESSAGE

Thank you for your support of the Australian and New Zealand Institute of Insurance and Finance (ANZIIF) through ANZIIF membership.

ANZIIF was established more than 130 years ago and is the leading membership, education, training and professional development organisation for insurance and finance in the Asia-Pacific region.

As an ANZIIF member, you join more than 16,000 members in over 50 countries who believe in the importance of professionalism through continued learning and development.

Through our activities, we aim to help members to achieve their career and corporate aspirations and to contribute to the success of the insurance and financial services industry.

We greatly value our members from across South East Asia and are continuing to build relationships across the region with individuals, companies and the broader industry. We want to help connect individuals and companies to other like-minded professionals who are committed to industry advancement, development and excellence. We hope that ANZIIF's South East Asia Membership Directory provides you with a tool to achieve this.

Thank you for your commitment to promoting the highest standards of professionalism through ANZIIF membership. We are so grateful that you have joined the ANZIIF family and we look forward to sharing your lifelong learning journey with you.

For further information or if you have any queries, visit our website [anziif.com](http://anziif.com) or contact Leanne Duong, Regional Manager South East Asia on [lduong@anziif.com](mailto:lduong@anziif.com) or +61 3 9613 7235.

# ANZIIF MEMBERSHIP

ANZIIF membership represents the highest standards of practice and integrity for insurance professionals within the Asia Pacific region.

There are six levels of ANZIIF membership, which are based on the member's experience and/or qualifications.

Affiliate, Associate, Senior Associate and Fellows are Certified Insurance Professionals (CIP) and those who hold a CIP membership demonstrate a commitment to ongoing learning and development and to a career in insurance.

**To maintain CIP status, CIP members are required to:**

- have an ANZIIF qualification or equivalent;
- maintain 25 CIP points per year by participating in 25 hours of professional development per year
- adhere to the ANZIIF Code of Ethics.

# MEMBERSHIP BENEFITS

ANZIIF membership benefits are focused on supporting your lifelong learning and continuous professional development. We are so pleased that you have joined us and feel privileged that we are able to guide you on your learning journey.

## Members' Centre

Designed to maintain and develop skills and knowledge, members have access to more than 2,000 articles, activities, videos and white papers housed in the Members' Centre, ANZIIF's online learning library.

## The *Journal*

The *Journal* is the longest running and most widely read insurance publication in the Asia-Pacific region. CIP members receive a hard copy of the publication and all members receive the *Journal* via e-newsletter.

## E-Newsletters

Members receive a regular ANZIIF newsletter with articles and activities focused on the latest industry news, technical information and soft skills.

## CPD/CIP Points Register

As a member, you have access to an online CIP/CPD points register, where all CIP/CPD points can be recorded and tracked, regardless of whether they are completed with ANZIIF or not.

## Professional Development Events

There are many events run in South East Asia, most of which are complimentary for members. Of those events with a cost, members receive a 20% discount on ticket prices.

Visit [anziif.com/events](http://anziif.com/events) for further information

# EDUCATION

## Skills Units & Qualifications

Skills Units are online, interactive short-courses based on real-world scenarios that focus on specific competencies and learning outcomes relevant to the individual's professional development needs. Skills Units can be completed in either five or seven weeks.

## Qualifications

Skills Units can be combined in various ways to achieve ANZIIF Qualifications — insurance-based qualifications representing industry standards of excellence. All ANZIIF Qualifications are formally recognised, internationally portable and available for all skill and experience levels.

## Recognition of Prior Learning (RPL)

ANZIIF offers qualifications through RPL. This is a process of evaluating what you have learned either formally or informally and providing full or partial credit for an ANZIIF qualification. Visit [anziif.com/rpl](http://anziif.com/rpl) for further information.

# ANZIIF GOVERNANCE

In order to demonstrate the highest standards of professional practice and integrity, ANZIIF members are asked to adhere to the ANZIIF Code of Ethics and Standards of Professional Conduct.

---

## ANZIIF CODE OF ETHICS

### Members of ANZIIF:

- conduct themselves with integrity and dignity and act in an ethical manner in their dealings with the public, clients, customers, employers, employees, colleagues and the broader insurance and finance industry
  - act with competence and strive to maintain and improve their knowledge and skills, encouraging the development of those abilities in others
  - use proper care and exercise professional judgment regarding the appropriateness of their actions, independent of the activities of others within their company or the broader industry
  - demonstrate respect of others in the discharge of their professional and personal undertakings
- strive to encourage other industry practitioners to apply similar standards in their professional conduct to those that ANZIIF members expect of themselves
  - demonstrate commitment to professional development.

A member of ANZIIF should not undertake any activities that will bring the Australian and New Zealand Institute of Insurance and Finance into disrepute.

ANZIIF members are expected to comply with the following standards of professional conduct and may be subject to disciplinary action by ANZIIF's Board in the case of a breach.

---

## STANDARDS OF PROFESSIONAL CONDUCT

### ANZIIF members:

- inform their employer that they are obliged to comply with ANZIIF's Code of Ethics and Standards of Professional Conduct to retain their ANZIIF membership, and that they are subject to disciplinary sanctions for violations. Sanctions may include the rescission of their ANZIIF membership. They will provide a copy of the Code and Standards to their employer if their employer does not have a copy.
- maintain knowledge of and comply with all applicable laws, rules, and regulations of any government, government agency, and regulatory organisation governing their professional, financial, or business activities, as well as with ANZIIF's Standards of Professional Conduct and the accompanying Code of Ethics.
- keep their skills updated, keep abreast of changes in their working environment and continue to extend their knowledge and learning through the mandatory requirement that all qualified members to engage in the Certified Insurance Professional (CIP) program
- act in a manner consistent with their obligation to deal fairly with all customers and clients when making recommendations and taking action of material impact on customers, clients and/or their employer.
- conduct themselves in such a manner that transactions for their customers, clients, and employer take priority over personal

transactions, so that their personal transactions do not operate adversely to the interests of others.

- when making recommendations, or taking actions, disclose to their customers, clients or employer as applicable, any material conflict of interest relating to themselves that could reasonably be expected to impair their ability to make an unbiased and objective decision.
- disclose to their employer all matters that could reasonably be expected to interfere with their duty to their employer, or with their ability to make an unbiased and objective decision.

### ANZIIF members should not:

- knowingly participate or assist in any acts violating any applicable law, rule, or regulation of any government, government agency, or regulatory organisation governing the professional, financial, or business activities, nor in any act which would violate any provision of ANZIIF's Standards of Professional Conduct or the accompanying Code of Ethics
- when presenting material to their employer, associates, customers, clients, or the general public, copy or use, in substantially the same form, material prepared by other persons without acknowledging its use and identifying the name of the author or publisher of such material.

- commit a criminal act that upon conviction materially reflects adversely on their honesty, trustworthiness or fitness as an insurance professional, or engage in conduct involving dishonesty, fraud, deceit or misrepresentation.

Elected ANZIIF members may use the appropriate ANZIIF professional designation and are encouraged to do so, but only in a dignified and judicious manner.

The Board of the Australian and New Zealand Institute of Insurance and Finance reserves the right to withdraw or rescind ANZIIF membership at any time for breach of ANZIIF's Code of Ethics and applicable Standards of Professional Conduct as outlined above.

Where a breach of ANZIIF's Code of Ethics or Professional Standards is brought to the attention of ANZIIF, ANZIIF's Board will form a sub-committee to investigate the matter. The member will be informed of the nature and particulars of the matter, the date at which the sub-committee will be meeting to consider the matter and of the right to make a written submission concerning the charge. In the circumstance that a penalty is imposed upon an ANZIIF member, the action may be communicated to the membership of ANZIIF in writing, subject to the constraints imposed by privacy and other relevant legislation.
